ASBESTOS LITIGATION DEFENSE

Defend your past. Grow your future.

Companies face increasingly well-coordinated attacks in jurisdictions across the country. These assaults are becoming more complex and costly as plaintiffs' counsel pursue novel theories and claims to keep asbestos litigation thriving.

Husch Blackwell's team has experience in numerous jurisdictions throughout 37 states, as shown below. Our attorneys can help you navigate the intricate web of plaintiffs' firms, changing laws, evolving science and anti-defendant courts. Three guiding principles direct our asbestos team's client service model – **Protect Your Company**, **Minimize Your Risk** and **Control Your Spend**.

Protect Your Company

Align litigation strategy to your business objectives. Every action taken to protect and defend your company moves you closer to achieving your ultimate litigation and business goals. By combining your definition of success with our deep industry knowledge, we can design a plan to achieve your company's goals.

Execute an innovative case management approach to drive results. Our attorneys apply legal project management concepts to deliver efficient and effective results. We customize our process methodology and reporting protocols to ensure that you have regular oversight and visibility of your docket.

Minimize Your Risk

Leverage our unparalleled experience. We have a deep bench of attorneys who are experienced in the country's most dangerous jurisdictions. For more than three decades, Husch Blackwell attorneys have defended thousands of asbestos cases across the U.S. and have gone to trial in more than 100 cases. Our trial attorneys maintain critical relationships with key decision-makers at plaintiffs' firms all over the country.

Stay ahead of emerging threats. Husch Blackwell attorneys anticipate and assess risks of new attacks before they can proliferate. We collaborate with you in applying our experience and vast scientific and medical knowledge to identify and minimize current and future risks.

Control Your Spend

Incorporate technology to streamline case management and oversight. Our proprietary, secure web portal enables efficient collection, management, and dissemination of information used in your defense. We design and maintain your company's customized and secure web portal to ensure that you have ready access to docket summaries, financial information, and libraries of work product.

Tailor flexible pricing models to support your strategy. We collaborate with you to customize a pricing model to fit your needs. Whether it is a traditional hourly rate, a flat fee arrangement, or a unique combination, we partner with you to share risk, and are sensitive to the fact that every dollar spent on litigation is a dollar from your bottom line.
